As an essential service to our customers we will remain open for all emergencies situations. We will implement best practices to help prevent the spread of this disease.

We currently have put into place proactive steps to help prevent the spread of the Covid-19. Staff is following the current guidelines set by Health Canada and will be continuing to adapt as more information is put forth by our Government.

As conditions evolve we may provide periodic updates. Please contact us by calling 613-237-4040 for any immediate needs.
